

HEY VISTA LAKES!

LET'S PARTY LIKE THERE'S NO TOMORROW!!

CANCELLED

Your Homeowners' Association is sponsoring the first of what we hope will be annual dinner parties at our new club, Rio Pinar.

A great night is planned for you including an amazing live band and a fantastic meal of "steamship round" roast beef or grilled salmon. You will also have the opportunity to get familiar with all of the sport and social facilities available at the club.

Space is limited for this event so make your reservation as soon as possible to be part of what will certainly be a memorable evening for the Vista Lakes community. Vista Lakes' residents can bring one non-resident guest each.
